### **Finding the entrance to the cyan route:**

- From Maliba Boom, at 7,2km's, look for a small quarry on the left cut into the mountainside
- The quarry is followed by a couple of sharp bends
- At 7,9km's there is a sharp bend to the left and a short section of road that has been fixed (black tar section)
- At 8km's there is a track going off to the left, parallel to the tar – there are no other landmarks so drive slow and keep your eyes open

**Small quarry on left of road**

**Entrance to Moeling Village**

## **PINK ROUTE VIA HA MOAHLOLI VILLAGE**

### **Finding the entrance to the pink route:**

- From Maliba Boom, at 9,6km's, look for a few grey brick (not mud) houses on the left
- At 9,9km's there is a speed bump in the road and the entrance to the pink route is directly opposite this
- The entrance is a short, steep uphill, very slippery in wet conditions – low range is essential and rather than damage the track that is used daily by villagers, opt for one of the trails with an easier entrance

**Entrance to Moahloli Village**

## **RED ROUTE VIA HA KHOJANE**

### **Finding the start of the trail:**

- From Maliba Boom, travel 11,5km's and be on the look out for an entrance on the left
- The entrance is at 11,7km's and marked by a grey, brick building (bigger than normal) and very faded signs posts to St Dominic Scool
- Turn left and follow the road for 1km where there will be a split in the road
- Keep to the right and follow the trail to Ha Khojane Village

## **GREEN ROUTE VIA SAKALEFUBELU**

### **Finding the start of the trail:**

- Travel 11,7km from Maliba boom and look for a small bridge (storm water pipe) crossing the ditch on the left hand side of the road
- This bridge is the entrance to Sakalefubelu village

## **BLUE ROUTE TO LENTSOANENG**

### **Finding the start to the blue trail:**

- Zero the odometer at Maliba Boom
- Travel 23km's and look out for a pull-over on the left hand side of the road – from here look out for the entry to the blue route to the left of the road
- Travelling from Maliba the entry is in a bend to the left – travel slowly and look carefully for the “Butha-Buthe Funeral Services” sign on the right
- Directly next to the Butha-Buthe sign is a speed bump in the road
- Cross the speed bump and turn immediately left into Kramele Village (if you reach Sentry Supermarket on the left, you have travelled too far)
