## Pink Trail to Ha Pentsi

### About the trail:

- Trail Rating: moderate to difficult - low range essential
- Time to complete: 4 hours (return)
- Very muddy in wet conditions
- Stunning views of the surrounding mountains and villages
- The track winds along the mountains often crossing small streams, some technical climbs and narrow muddy sections

### Finding the trail:

- Zero the odometer at the Maliba Boom Gate
- At 18,5km's look out for the 4 green "danger" signs – warning against animals on the road, speeding, drinking and driving and sharp turns
- After the fourth sign there is a speed bump and on the right hand side a bus stop
- On the left hand side is a red brick building and directly across it, a small track leading into Konkotia Village (19,1km from Maliba Boom) – turn right and follow this track to the bridge over the Hlotse River, marked as D on the map
