of Red Route

GREEN ROUTE VIA SAKALEFUBELU

RED ROUTE VIA HA KHOJANE

BLUE ROUTE VIA ST DOMINIC

GREEN ROUTE VIA SAKALEFUBELU

About the trail:

- Trail rating: easy – 4x4 recommended
- Time to complete: 45min (return)
- Some muddy sections

Finding the start of the trail:

- Travel 11,7km from Maliba boom and look for a small bridge (storm water pipe) crossing the ditch on the left hand side of the road
- This bridge is the entrance to Sakalefubelu village

RED ROUTE VIA HA KHOJANE

About the trail:

- Trail rating: easy to moderate – 4x4 recommended
- Time to complete: 45min (return)
- Some muddy sections and short rocky section

Finding the start of the trail:

- From Maliba Boom, travel 11,5km's and be on the look out for an entrance on the left
- The entrance is at 11,7km's and marked by a grey, brick building (bigger than normal) and very faded signs posts to St Dominic School
- Turn left and follow the road for 1km where there will be a split in the road
- Keep to the right and follow the trail to Ha Khojane Village

BLUE ROUTE VIA ST DOMINIC

About the trail:

- Moderate to difficult – 4x4 with low range essential
- Time to complete: 2 hours (return)
- Muddy trail, narrows considerably with some technical, rocky climbs
- Track becomes too narrow to turn around – always assess track ahead for obstacles and turn around points before continuing on difficult sections

Finding the start of the trail:

- From Maliba Boom, travel 11,5km's and be on the look out for an entrance on the left (same as for the Red Route to Ha Khojane)
- The entrance is at 11,7km's and marked by a grey, brick building (bigger than normal) and very faded signs posts to St Dominic School
- Turn left and follow the road for 1km where there will be a split in the road
- Turn left at the split (keeping the houses on your right and the valley on your left)
- Follow the trail past St Dominic's school to the turn around point
